CANCER DROPS OUT AFTER ALLEN PRAYS

I had a cancer on my hand which was getting worse rapidly. When I attended A. A. Allen's Tent Revival in Yakima, Wash., in July 1951, it had spread and was very bad.

Rev. Allen prayed for me and commanded the cancer to go! During the next few days THE CANCER BEGAN TO DRY UP. As it withered, it loosened and came out by the roots, leaving ugly holes where the roots had been. These holes gradually filled in and smoothed over with new flesh.

It has now been three months since I was healed. My hand is as smooth as a child's and only a small scar remains. No pain has ever returned.

I affirm that in July, 1951, Nola Sherrill had a cancer on her hand and was prayed for by Rev. A. A. Allen in the prayer line.

On October 26, 1951, Nola Sherrill attended the A. A. Allen Revival in Memphis, Tenn., and testified to the above miracle of healing. At this date there was no sign of any cancer on this woman's hand.

NEW EAR DRUM CREATED INSTANTLY BY MIRACLE

The explosion of a firecracker burst the ear drum in my boys right ear. An ear specialist discouraged surgery and said that "even a miracle" could not restore hearing.

In the great Yakima, Wash. Revival, A. A. Allen prayed for my boy. God INSTANTLY CREATED A NEW EAR DRUM because my boy with his good ear tightly closed, could hear even the faintest sound with the ear the Doctors said would never hear again.

TOTALLY BLIND — SIGHT RESTORED INSTANTLY

I had a stroke. My blood pressure went up to 210. I was unconscious for four days. After consciousness returned, I was totally blind. Two eye specialists and one head specialist said I'd never see again.

I attended the Allen Healing Revival in Tyler, Texas. Allen placed his hands over my eyes and rebuked the spirit of infirmity that had made me blind. He then said to me, "In Jesus name, I command you to SEE!" Instantly God healed me! Instantly I saw many people. Then I saw their faces. I could even see clearly the color of the evangelists tie and suit. Now, I see perfectly! To God be all praise and Glory! Once I was blind, but now I see!

PARALYZED ARM AND HAND HEALED INSTANTLY

Due to an operation, my right arm and hand were completely paralyzed, numb and helpless. I purchased Rev. A. A. Allen's book, "God's Guarantee to Heal You!" at his revival in Evansville, Ind. Although I had not believed in healing, faith suddenly came into my heart as I was reading the chapter, "Have the Faith that God Gives", and God spoke to me saying, "Go to the morning service and you shall be healed."

I hurried to the meeting. As Brother Allen prayed and commanded me to raise my arm in the name of Jesus, the power of God went through my arm and hand, all pain and numbness left, and I raised my hand over my head without pain.

Three days later, I went to work as an ironer and presser, and have now worked two full weeks without pain nor any symptoms of paralysis returning.

DOCTORS AMAZED AS GOD PUTS NEW FLESH ON LIMB

For five years I had blood clots on my left leg to the knee. My limb was black to the toes. For two years the doctors wanted to amputate, declaring it would never heal. Running ulcers had eaten away the veins and much of the flesh. Plastic tubes had been placed in my limb where the veins were gone. The doctors tried skin grafts, but they would not grow.

Then Rev. Allen prayed for me. New flesh and skin immediately began to form and grow on the limb. The doctors were amazed. They removed the plastic tubes. Within three days after Rev. Allen prayed for me my limb was completely covered, (11 months later), and I am completely healed.

The doctors said they could not take any credit for healing me, for someone more powerful than man had done it.

CANCER PASSES FROM BODY TWO DAYS AFTER PRAYER

For three years I had cancer of the throat. It continued to get worse causing much pain. At times it would move like a huge worm and choke me.

While attending the Allen Healing Revival in Grants Pass, Ore., Rev. Allen prayed for me and cursed the cancer in Jesus Name!

Two days later, the thing that had been moving in my throat, became loose and came up into my mouth. As I was driving the car at the time I disposed of it in a handkerchief until I could park the car. Upon investigation, the horrible thing I had in the handkerchief was the cancer, fleshy with long roots or tenacles.

After five months, I am still praising God for complete healing. No pain has ever returned.
